

Speakers for the 2010 District Conference

LINDA BURHANS, GUEST SPEAKER,

OPENING BREAKFAST

With over 30 years experience in leadership positions in corporate America, she now is one of Tampa Bay's leading women entrepreneurs. Linda is famous for her signature phrase, "Life is GOOD" and is heard all over Tampa Bay saying it.

Inspired by her father, David McCauley, Linda desired to start a movement of sharing and compassion that was far-reaching. When Linda learned of World Kindness Week she knew this was exactly the type of cause she was searching for. She started "The Dave Game" to extend World Kindness Week to include 365 days a year. By basing it online, www.thedavegame.com, it opened it up to potential kind deeds around the world. Linda is often heard saying "Play It Forward" and "everyone wins who plays The Dave Game".

Linda's recently published book "Goodnight and God Bless", is a collection of wonderful memories of her loving mother. The book is a humorous and heartfelt story to inspire and assist anyone with the challenge of being the caregiver to a loved one.
