Dear Altrusans:

Thank you for taking the time to complete the 2008-2009 Club Activity Report. The Club Activity Report provides pertinent information for three important groups:

1. **Club.** This report summarizes all of your Club's activities for the last year. It can be used by the next administration of your Club as a planning tool and will help you access your Club's participation in the goals and objectives of the Association.
2. **District.** The report helps the District know and understand what must be done to help strengthen your Club, its work and its involvement in Altrusa International.
3. **International.** The report, when compiled by the District Membership Development Chair or other person designated by the Governor, gives a valuable profile of the District's activity.

Your report provides valuable information to Altrusa as we work in partnership to achieve the organization's objectives. This report will assist in measuring Altrusa's success in the realization of its goals. We can only succeed with the involvement of each Club and its members.

Remember – We are “Embracing the World” as Leaders in Service!

Zaida Perez-Mendez
2007-2009 International President
